

'ONE DAY WORK SHOP' on 'Hands on Training of Accountancy Software'

One day workshop on Hands on Training of Accountancy Software was organised on Wednesday, 4th Sept, 2013. The Inaugural function of workshop was organized at Audio-Visual room and technical session was organized at computer laboratory of the college.

Dr. S. T. Gadade, Principal of CKT College & Chairman, Board of Studies of Accountancy, University of Mumbai was the Chief Guest for inauguration of workshop. The workshop was inaugurated by Dr. S. T. Gadade. Dr. Vaidehi Daptardar, Principal of Adarsh College was chairperson of inaugural function. Principal Dr. Vaidehi Daptardar welcomed the chief guest & all the participants / delegates for workshop. Prof. Satish Pharate introduced chief guest & also conveyed vote of thanks of inaugural function.

Principal Dr. S. T. Gadade expressed his thoughts about need of organizing such types of workshops. He also told that according to changing scenario of commerce & industry requirements our product i.e. graduates who passed out must have latest required skills & qualities e.g. e-skills, practical trainings of the subject rather than only chalk & talk practice or bookish knowledge. He made an appeal to the teaching fraternity to update & improve their teaching skills. They are not only teachers but now days they are also facilitators for the students.

The inaugural function was compeered by Prof. Mandar Paranjape.

Dr. Rajan Velukar, Vice Chancellor of

University of Mumbai also blessed the participants by giving visit during training session of workshop.

Two technical sessions were organized i.e. pre lunch & post lunch session & then valedictory session was also organised in computer lab. Dr. Vaidehi Daptardar, Principal of Adarsh College was chief guest for valedictory function.

Technical sessions were supervised & monitored by Shri. Sandeep Yellurkar of M/s Solutions, Dombivali. He made Power Point Presentations of Tally Software & also explained its use in operation to be made by teachers. He explained in detail regarding creating of client's data generation, recording of business transactions, cost centers, generating reports to be submitted to the management, ascertainment of various tax liabilities etc.

30 teacher participants from various colleges enrolled for this workshop to get 'Hands on Training' on Tally ERP9' software under the guidance of Shri. Sandeep Yellurkar. The workshop was concluded with vote of thanks by Prof. Satish Pharate.

Prof. Satish Pharate
