Women Development Cell
Gender Sensitization Policy

Preamble:

The Women Development Cell of Adarsh College of Arts & Commerce Badlapur was established in January 2012. It aims to create awareness about gender equality and also to empower the girls. It was set up with the prime purpose of making the institution a gender sensitized space where all the students especially girl students could achieve their full potential. It aims at covering five fold knowledge program about Health, Education, Entrepreneurship, Legal Aspects for progress and Security & Safety.

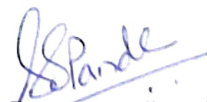

Gender Plan:

1. To create awareness about gender equity through curriculum.
2. To enlighten all the stakeholders on the issues of equality.
3. To guide students on pre-marriage counselling, proper dietary requirements, self defense, career counselling etc.
4. To collaborate with various Organizations and NGO's for Gender sensitization through various activities, workshops and programs.
5. To celebrate motherhood & contribution of women to society through 'Matrudin' a flagship program. To uphold women hood on International Women Day.
6. To create effective mechanism ensuring safe environment to promote the general well being of women students.
