❖ Vibrant Learning Environment

Recognizing the dynamic/ vibrant changes in the world around, the institution prepares the student to take the challenges of technology and time. The congenial atmosphere in the college enables student to enrich their knowledge.

VISION:

In accordance with its vision statement '*to be socially oriented eminent educational institute nurturing talent and advancing knowledge in a vibrant learning environment having quest for quality*', the Adarsh College of Arts & Commerce strives to create and disseminate an atmosphere of learning and research of a high academic, professional, ethical and ecological standard in which

learners can gain knowledge and skills encompassing a wide range of disciplines, humanities, languages and social sciences, commerce and management - which result in all round personality development of the learners and enable them to fulfill the needs of industry and the society at large.

Accordingly, every year the performance by the students and the staff is a step towards betterment. The College considers itself to be the best competitor of its own and strives consistently towards betterment of its performance.

MISSION:

- **To impart quality educational services as per changing needs of the time.**

Continuous efforts are taken to impart to learners, the knowledge and skills that are relevant to the demands of the changing times. Encouragement is given to the faculty to adopt innovative methods like PowerPoint presentation, use of transparencies (O.H.P.), mock interviews, field visits, Group discussion, educational CD/VCD's show, etc. of teaching that will cater to the needs of learners at various levels of study.

- **To make education all inclusive for students in and around Badlapur from socially underprivileged classes.**

The College has been recognized as a premiere institute of learning in the town, which can be seen through the rush for admission to the college. The college gives preference to the first generation learners who come from the economically and socially underprivileged classes of the society. The students of Arts faculty are mainly from the nearby villages and from weaker sections of society.

- **To transmit students' potential capacity into Man-Making by encouraging them to learn in competitive atmosphere.**

Learners are regarded as the focal point of all activities and efforts are taken to adopt policies that effectively meet their needs. Teachers impart skills which can translate into practical applications in various spheres of life, viz. personal, professional and national. This supports curricular training with co-curricular and extra-curricular activities which is aimed at all round personality development of the learners. The college provides learner-centric academic and personal enrichment opportunities. The learners are empowered to pursue their goals and are guided towards self-actualization.

- **To aim at making good citizens of India having deep rooted Indian Culture.**

With the support of NSS and NCC activities, students are sensitized about social, ecological, economic and political issues of India & are encouraged to find solutions that will benefit the whole nation. Many of the social workers and eminent personalities from various fields are invited in the institute for their interviews, felicitations and guiding lectures, like Smt. Sindhutai Sapkal (President Award Winner), Dr. Abhay Bang (Social Worker) who encourage and guide the students to create responsible citizens.

- **Dr. V.T. Patil, Ex Vice-Chancellor, Pondecherry University** **Dt. 02.03.2012**

The Principal, member of the teaching and non-teaching staff, students and Management were very courteous, friendly and highly motivated in their work. I enjoyed the intellectual atmosphere in the two day National Seminar on India Emerging. The teaching staff as also non-teaching staff is dedicated and devoted. The college has tremendous future.

- **Dr. Parvathi Venkatesh, Principal, S.K.Somaiya College, Vidyavihar. Dt. 03.03.2012**

Excellent growth of the College under the leadership of Dr. Vaidehi. College has improved a lot in its infrastructure and has got a long mile to go. Wishing all the best.

- **Dr. Suniti Nagpurkar, Economist Dt. 03.03.2012**

It was indeed a wonderful experience that I got an opportunity to attend. The organization needs to be specially congratulation for organization of a National Conference on such a relevant theme. You have set an example that ‘Inclusiveness’ is not only to be talked but actually to be adopted.

Thanks once again
