ABOUT OUR ORGANIZATION

ADARSH VIDYA PRASARAK SANSTHA is one of the premier institutions of fast growing city Kulgaon-Badlapur of Thane district. It provides educational facilities from K.G to P.G to the residents of Badlapur to Karjat. With 15 acre campus it offers all advance facilities required to facilitate an affordable education. Our sanstha celebrated its Golden Jubilee in the year 2011 and pronounced its devotion to qualitative education by supporting accreditation process of our college.

ABOUT OUR COLLEGE

Established in the year 1995, the college serves all sections of the society through under-graduate courses, self-financing courses and post graduation in Commerce and Arts. Taking into account the requirements of the working class we have started several courses of Yashantrao Chavan Open University, Nasik (YCMOU, Nasik). In our quest of modernization we have established a Computer Laboratory and Audio-Visual Room to augment ICT skills of our students. Going forward, we propose to start MBA center of Yashantrao Chavan Open University, Nasik (YCMOU, Nasik) from 2012-13. Recently, the college is accredited by NAAC with CGPA 2.78, B Grade.

ABOUT NATIONAL LEVEL SEMINAR

The world is at the cross roads. After fall of Soviet Block in 1990s and unification of Germany, the world has witnessed dramatic changes. The year of 1998 and 2008 marked slow down and recession for the globe. Yet the globalization of Indian Economy paved way for India being the destination of first choice for the world. India is looked as an 'Emerging Country' and we have to still make 'Bharat Nirman'. India has all the human and material resources that are required to become a super power. However what is a required

is proper management and will power. After 21 years of Internationalization of our Economy, we feel it is the right time to look back & introspect to know & understand our strengths and weaknesses in all the political, social, economic fields. The seminar will provide an opportunity to have SWOT analysis to our global positioning.

OBJECTIVES OF THE SEMINAR :

- To study various problems obstructing the growth of our country.
- To review present education system.
- To evaluate the development schemes.
- To study the impact of modern technology on India.
