Report on Online lecture on
'Easy Steps towards ICT ' held on 11th April 2021

</div>

Department of Library and Information Science and IQAC of Adarsh College jointly organized an online lecture on Easy Steps towards ICT' on Sunday the 11th April 2021 at 11.00 a.m. on Zoom online platform (Meeting ID: 6098654385 Passcode: library) as an initiative to make understand the students about E-facilities provided by library. During the COVID 19 pandemic situation, it was necessity for students to depend on e-learning. The lecture was arranged to solve the queries of the students while using the library blog as well as to make them aware about ICT services related to the library. It was the purpose to make the students to understand the online library facilities provided by Adarsh College. The lecture was delivered by Mr. Laxmikant Satpute, Librarian, Adarsh College.

The lecture was based on the contents like e-facilities by library, use of QR code for library, use of Telegram group of library. The Government had imposed restrictions on mobility to fight with the pandemic. It was observed that students were facing the difficulties to connect with library. The lecture gave information about use of library blog which is the part of college website. The lecture provided information on how to access and use of library blog. It provided the detailed information about how to access e-journals, e-books, previous years question papers available on library blog. In the lecture the speaker guided the students about the use of INFLIBNET and other tools as source of information.

The lecture was focused on use of ICT while accessing and operating the electronic medium. The library of Adarsh College had formed a Telegram Group to provide necessary updates regarding available resources, information, library related notices. The detailed information was given on the use of QR code for library with examples.

At the end of the lecture, there was question-answer session. Twenty Eight students attended the lecture. The vote of thanks was proposed by Mr. Mandar Thakur, IQAC, Coordinator.
