Badlapur.

REPORT.

A.V.P. Sanstha's Adarsh college of Arts & Commerce, Badlapur ,organized one day National seminar on "Transforming Leadership: Coping up with the Challenges, In association with ICSSR Western Zone, on Friday,29th April,2022.

INAUGURAL FUNCTION.

In Inaugural Function, Our Respected Principal Madam expressed her thoughts, presented concept note of the seminar. She expressed the need of remembering the sacrifice of our great freedom fighters and to use this inspiration for transforming leadership to empower people for India 2.0.

She explained that our Indian knowledge is a treasure for the world & we must rejuvenate it to mark our progress in future

.She insisted that every one of us must work as 'a change agent` in our fields with proper plan .This will help our Young leaders to decide their course of action in future. She stressed that we must take care of other important issues such as Sustainable Development, Peace &

harmony in our country. She quoted John Kennedy -"Ask not what your country can do for you, but what you can do for your country". Her speech was quite inspiring and gave a clear idea behind the organization of this Seminar. She also welcomed Chief Guest of the function, Hon'ble Pro Vice Chancellor of University of Mumbai Dr.Ravindra Kulkarni , Key Note speaker Dr.Ashok Modak, & other addressee.

Hon'ble Pro- vice chancellor released the book titled "**Rejuvenating Indian Thought Process**". Understanding Integral Humanism, edited by Dr. Vaidehi Daptardar. Dr.Ravindra Kulkarni gave his best wishes for the seminar virtually and he also congratulated & appreciated the efforts by Dr. Vaidehi Daptardar in editing such an inspiring book and organization of seminar on a timely theme.

TECHNICAL SESSION I.

In the beginning of key note address Dr. Ashok Modak also appreciated the efforts of Dr. Vaidehi Daptardar in inspiring others by editing such book and her very descriptive preface of the book.

In key note address on 'NEP & ROLE OF TEACHER', he put light on 10 principles of New Education Policy and how the teachers are expected to change themselves to fulfill the expectations of the society from teachers. NEP places Emphasis on Student Centric education, to recognize & foster unique peculiarities of every student, flexibility and elasticity, need for conceptual understanding, respecting local context and diversity, need to help to socially disadvantaged section multilinguism, skill development, encouraging innovations, out of the box thinking must be encouraged.

For fulfillment of these principles teacher must update themselves, they must understand that man does not live only by bread, but development of spirit, self-actualization is the aim of the education.

Teachers must not give mere information but they are expected to provide knowledge. The role of teachers is very important in the actual implementation of the New Education Policy. His speech was full of inspiring and eye opener thoughts to the teachers. This session was compered by Mr. Sachin Dedhiya, & vote of Thanks was offerd by Ms. Daksha Halkare.

TECHNICAL SESSION II.

In this session on "Visionary Leadership NEP & IT", Dr. Aavkash Jadhav put emphasis on skill and content the teacher posses and as the students are the customers, we need to provide required knowledge and services to them. He explained about various aspects of an effective leadership and the need to develop these aspects in teacher's personality. He explained through few examples of research that how the teachers work can influence & help the society and even

the functioning of the Government agencies. Dr.Swati Savant was the chairperson for this session. This session was compered by Dr.Mandar Paranjape and Ms.Vidyut Joshi delievered vote of Thanks.

TECHNICAL SESSION III.

In the next session on ‘Azadi @ 75 -- Changing Images of India’, Dr. Prashant Dharmadhkari put emphasis on soft and hard power of our country for the development. He focused on foreign policy of India and values focused in it. He said that physical as well as mental power is very important for changing images of India. Dr. Meenal Annchatre was the chairperson of this session. This session was compered by Dr.Satish Pharate & Dr.Sandeep Bhele expressed vote of Thanks.

TECHNICAL SESSION IV.

This session was followed by another session on `social Leadership & making India2.0`. Prof. Shyamkant Atre expressed his views on Indian social leadership and its deterioration in last few years .As we have ruled the world through our valus, culture and our lifestyle is no more found in social leadership in general now, he expressed with deep regret that, Instead of division of labour, we divided labours leading to social unrest. He emphasized that our social leadership must have the foundation of religion and morality for future progress that is Making India 2.0.This session was compered by Dr.Sangeeta Pande and Mr. Mandar Thakur proposed vote of Thanks.

VALEDICTORY FUNCTION.

The chief Guest for Valedictory function was Dr. Smita Shukla, Director, ICSSR, and Westen Zone. In her very inspiring speech she expressed her thoughts on Transformational Leadership. She insisted that instead of thinking only about western thoughts, we must search the leadership in our own society and country. The young leaders must observe the work of our leaders, they must accept the challenges for making India. This session was compered by Ms.Sayli Bhate and Dr.Mandar Paranjape proposed vote of Thanks.Audio-visual Review of the seminar was taken by Principal Dr.Vaidehi Daptardar.

Our respected Trustee, CDC chairman Mr.Uday Kelkar, Dr.Shakuntala Churi, Ms.Meena Deshpande and some other dignatories from Badlapur city were Present for the Inaugural Function.

With perfect planning and implementation of this seminar proceed under the leadership and guidance of Principal Dr. Vaidehi Daptardar.

The Seminar was a grand success.
